

6. EDUCATIONAL ADMINISTRATION

6. Approval of Single Plans for Student Achievement (SPSA)

BACKGROUND INFORMATION: All schools receiving state and federal categorical program funds are required to develop site-level educational plans addressing annual program priorities. These plans, developed by site staffs and School Site Councils, define actions to meet annual goals. Sierra Sands Unified School District schools have consistently incorporated the District's strategic plan goals and action components in their Single School Plans for Student Achievement, thereby aligning school-level program priorities with District-wide goals and priorities. In addition, site plans address programmatic requirements of the state and federal categorical programs in which each school participates.

Once a Single Plan for Student Achievement has been developed and approved by the School Site Council, it must be reviewed continually to determine which goals, strategies, and expenditures should be modified to ensure that the program is current and capable of meeting the needs of all of the school's students. Modifications in the plan to reflect changing needs and priorities of the school are made by the School Site Council and presented to the board as needed.

CURRENT CONSIDERATIONS: School site personnel and School Site Councils have been meeting this fall to analyze data, update instructional program priorities, and revise Single Plans for Student Achievement.

FINANCIAL IMPLICATIONS: Board approved Single Plans for Student Achievement are required for schools receiving categorical funding.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the Board of Education approve the Single School Plans for Achievement for the 2018-2019 school year as presented.

The Single Plans are available as a separate attachment and also available for review at the district office.
