

## **Frequently Asked Questions Concerning Student Registration**

### **Will my student have the same teacher in hybrid or DL?**

To the extent possible, it is our plan/hope to keep class rosters stable. However, we cannot guarantee your student(s) will have the same teacher.

### **What are the safety measures for hybrid learning?**

Safety measures are guided by the county's colored tier, CDPH, and the district's COVID Safety Plan. Students will be socially distanced (6 feet), will wash/sanitize hands frequently, wear face coverings, will have temperatures taken prior to entering campus, and will be in a stable cohort.

### **Will students be required to have a vaccination?**

No.

### **Are teachers required to have a vaccination?**

No.

### **Will transportation be provided?**

Only students with IEPs which require transportation will be supported.

### **Will food be provided to hybrid students?**

Yes, the plan is for Group A to be provided with a breakfast (for the next day) and a grab-n-go lunch to be consumed off campus. Group B will be provided with a breakfast and grab-n-go lunch (for the next day) to be consumed off campus.

### **What is the Distance Learning schedule?**

The DL schedule will remain the same.

### **What groups of students have priority or what is prioritized registration?**

We must address the students with the greatest barriers/needs as identified in LCAP/LCP.
