### School Description

Inyokern Elementary School is an integral part of the high-desert community of Inyokern, California. The school was established in 1913, and the first permanent buildings were erected in 1935. At that time, the principal lived in a house on the school grounds.

We have grown to be an award-winning school that truly serves the students in our small desert community. One way that we achieve excellence is by offering a wealth of year-round educational opportunities for students from 3 to 11 years of age. Inyokern State Preschool, located on campus, is the only preschool in our community and provides an excellent preschool education to qualifying students. The preschool is licensed for 20 students and is offered in the morning each weekday. Our elementary school educates students from Transitional Kindergarten through fifth grade.

Our success with elementary school students has been validated by awards we have received. We have been a No Child Left Behind Blue Ribbon School, a California Distinguished School, Gold Ribbon Award, and a Title I Academic Achievement Award School. Through the After School Education and Safety (ASES) Grant from the State of California, we offer a free after school program to elementary school students. Parents can enroll their students in this wonderful program to receive homework assistance, tutoring, STEAM activities, and standards-based enrichment activities until 6 p.m. each school day. During the 2020-21 school year, the ASES program was held virtually.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## School Facility Conditions and Planned Improvements (Most Recent Year)

### Buildings

Inyokern School began by moving three one-room schoolhouses to our current site 100 years ago. The first permanent buildings were erected in 1935. Inyokern Elementary has completed its modernization process that updated the entire facility. The focus of the modernization was to add extra classrooms, increase the size of our school library; and upgrade the classrooms, office, cafeteria, and playgrounds.

We have a playground for our primary grades and a separate playground for the intermediate grades. Both playgrounds have age appropriate equipment and balls for student use.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

### Library

Our library is staffed with a part-time library specialist and part-time computer specialist – both jobs are filled by the same person so there is continuity for students. She provides standards-based instructional activities and book checkout for all classes. The library is open to all students during the school day and remains open 45 minutes after school to allow parents and individual students the opportunity to check out books, do research, or take Accelerated Reader quizzes.

Each week classes spend scheduled library time in our media center.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	26	N/A	36	N/A	39	N/A

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Our SSC gives input about school concerns and approves our annual budget and plan. The PTO is also a vital part of our school. It assists with our PBIS and PeaceBuilders program by running a student store where students can redeem PeaceBuilder reward tokens. Our PTO also financially supports field trips, assemblies, and special class projects. New members are always welcome to join our PTO.

Parents enthusiastically support such activities as our back-to-school ice cream social, the fall carnival, pride days, track and field day, reinforcing activities for students showing strong characters, as well as family nights. We update our parent-involvement policy annually. Parents are welcome to volunteer in our classrooms, on field trips, as coaches, and in the library. During Distance Learning, we are continuing to encourage parental involvement through online Back to School. Title I, and conference meetings, plus virtual Family Nights and activities. The contact person for parent involvement is our principal, Beverly Ewbank, who can be reached at (760) 499-1683.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

We revise our School Safety Plan annually. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. A copy is kept in the office for anyone in the community who wants review it. The plan is shared with all staff. We practice general safety, fire, earthquake, lockdown, and evacuation drills regularly. Emergency equipment is supplemented as needed.

Students report that they feel safe at school. Staff members monitor students before, immediately after, and during the school day. They also monitor bus loading and assist students at the gate and crosswalk. Visitors are expected to sign in at the office and wear a visitor's badge during their stay. Volunteer must follow the District Volunteer Protocol Procedures before they can volunteer at Inyokern school activities or in the classrooms.

**Suspensions and Expulsions**

Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### **Types of Services Funded**

The Title I allocation funds the site project teacher and the Collaboration and Intervention Model. Our project teacher works with small groups of at-risk students and is an integral part of our Targeted Assistance Groups (SMART Time), which are offered Monday through Thursday every week. Our computer aide, funded through the district's Local Control and Accountability Plan (LCAP), provides weekly computer classes for each class and small-group targeted intervention classes using evidence-based programs. Our counselor, funded through the district's LCAP offers social skills groups, teaches Second Step, and offers crisis intervention to students in special circumstances. Our Title I funds are used to purchase effective evidence-based supplemental classroom materials and programs.

Our hardworking PTO sponsors fundraisers as well as our fall festival. The PTO has funded assemblies, field trips, and the purchase of school improvement items.

Each year Kiwanis sponsors a walk-a-thon, and a portion of the money is given back to the classrooms.
