Bus passes are required on all buses as soon as students begin riding. As a courtesy to parents/Guardians bus drivers will not ask for school bus passes daily until **September 7th, 2021 (except for secondary students riding to Base afterschool programs, US Navy requires Military ID or DoD Dependent ID)** then passes must be presented to the drivers by students when boarding the bus both morning and afternoon, no exceptions. If your student forgets their bus pass at home they will be denied transportation. Bus passes are valid for the entire school year.

The following fees remain in effect:
